FAASTeam Rep Training - Second of Two Offerings

The Orlando FSDO FAA Safety Team conducts required annual refresher training for all our FAASafety Team Representatives ("Rep's"), an indispensable part of aviation safety. This training is designed to bring Rep's up to date on FAASafety Team policies and procedures, and satisfies annual training requirements. The seminar begins promptly at 0830 and ends not later than 1600. This is the second and final offering in FY-2016. If you attended this training in February, you need not attend this session. Rep's from other FSDO's may attend. Rep applicants who have completed ALC-270 and ALC-297 should attend.
